S I R:

Applicants submit herewith a statement of the substance of the telephone interview conducted on April 27, 2007 between Examiner Goudreau and Applicants' representative, Campbell C. Chiang (Reg. No. 59,518).

**The Examiner stated that Applicants need not substantively respond as to the rejections of the Office Action of April 5, 2007, since the Examiner considered the wrong claims.**

In the telephone interview, the Applicants agreed to provide a courtesy listing of claims 10 to 18 (previously submitted with the preliminary amendment of March 6, 2006) in the Response to the Office Action of April 5, 2007. The Response is being filed concurrently with this Statement.

During the course of the telephone interview, no exhibit was shown and no demonstration was conducted.

During the course of the telephone interview, no specific claims were discussed.

During the course of the telephone interview, no "specific prior art" was discussed.

During the course of the telephone interview, no principal proposed amendments of a substantive nature were discussed.

During the course of the telephone interview, the Examiner explained that a computer error resulted in the Office Action of April 5, 2007, in which the Examiner addressed cancelled claims 1 to 9 instead of pending claims 10 to 18.

Respectfully submitted,
